"SWAMP PRINCE"

This certifies that the *Swamp Prince*
is foreign owned and controlled.

It is also certified that this original work of art
is hand-painted in layers of political and financial corruption
and is cast from pure MSM and legions of DC grifters and
the 24x7x365 enabling efforts of the DOJ, FBI, IC,
and U.S. Secret Service.

It is further certified that the *Swamp Prince* and his perverted
family are designated the new standard for
immorality, degeneracy, and debauchery.
